Cadillac Area Bowling Association Tournament Rules

- 1 All members of the Cadillac Area Bowling Assoc. may participate. All Tournament bowlers must have a minimum 9 game average on a Cadillac Assoc. league. **Men will have 5 person teams and women will have 4 person teams.**
- 2 Entrants can bowl more than 1 time in team event, however, not more than 3 men, 2 women bowlers on one team can place more than once in the prize list for position standings. Entrants can bowl more than 1 time in doubles and singles, however, in no case will the same 2 person team be permitted to place more than once in the prize list for doubles event, and in no case will the same individual be permitted to place more than once in the prize list for single event. Bowlers that enter doubles must enter singles, and vice versa. When competing more than once, your **first appearance in each event shall count toward your all event score.**
- 3 Averages used are from the CABA only. Entrants will use their highest sanctioned average based on a minimum of 21 games for the 2019-20 season. If current minimum 9 game average, as of tournament bowling date, is 10 or more pins higher, then current average must be used. If no average last year, use highest sanctioned average of at least 9 games or more as of tournament bowling date.
- 4 It shall be each bowler's responsibility to determine that the submitted average is correct. Failure to use the proper average may disqualify a score.
- 5 **Men's** tournament handicap is **90% of the difference between 230** and the bowler's average. **Women's** tournament handicap is **90% of the difference between 210** and the bowler's avg.
- 6 Captains check in is 30 minutes before your squad time.
- 7 **Squads are filled on a first come, first served basis with Paid Entry.**
- 8 Any bowler or team arriving after the game has started will be allowed to bowl, and the score will count beginning in the frame then being bowled. Zero will be given for frames missed.
- 9 When bowlers are scheduled unopposed on a pair of lanes, they must bowl as though they were actually contested. The players must complete a frame on one lane before the lead off bowler starts the next from on the adjoining lane.
- 10 Errors in scoring must be reported to the tournament director within 24 hours.
- 11 USBC rule 319d is not in effect. (Prize winnings)
