The salary for the secretary shall be \$20.00 per team for the 2024-2025 season.

5. Franchise

The franchise (team spot) shall be held by the team captain as long as the captain is acceptable to the majority of the league's board of directors, except that a franchise cannot be recalled during the season without sufficient cause. A captain must notify the league secretary of the team's intention to retain their spot by July 31st. Failure to do so may result in reassignment of the franchise by the board. The Board of Directors must decide disputes pertaining to the captaincy or sponsorship.

6. League Funds

An account shall be opened in the name of the league at HORIZON Bank in which funds will be deposited weekly. Withdrawals from the account shall be made with joint signatures of at least 2 authorized officers of the league and will be monitored by the league secretary. A monthly audit of the bank statement will be done by the president.

7. Prizes

At the start of the schedule, the secretary will give each team captain a copy of the prize list proposals. Each team will vote, the majority will decide which prize list is used. Cash awards will be given for placement winners. Any team wishing to order trophies may do so at their own expense.

8. Entering Averages

Bowlers must establish averages after completing 3 games on their first night of bowling. New members entering the league after the schedule has begun will establish their average after 3 games have been completed.

9. Handicap

The handicap allowance shall be 90% and shall be based on the difference between each individual's average and the scratch figure of 210. The team handicap for each scheduled member match shall be the total of the individual's handicap in the lineup.

10. Team Roster

Captains will turn in the rosters of the team members to the secretary by the end of the first scheduled match. Rosters will be limited to 6 players. Any roster changes must be reported to the league secretary prior to the time the new roster member bowls. **(A sanction card MUST be filled out even if they are sanctioned by another league)** If you are on a team's roster, you CAN SUBSTITUTE for any other team. New players cannot be added to the team roster the last 3 weeks of the season schedule.

11. Substitutes

The league shall maintain a list of revolving substitutes including phone numbers. Women must substitute for women. No one may bowl with more than one team member for the regular scheduled games each week. No new substitutes will be allowed the least 3 weeks of the schedule. Substitutes must have an established average in this league and have bowled at least 12 games to bowl on position nights. No new bowlers (roster or substitute) may bowl on position nights.

12. Legal Lineup

Both regular and substitute players shall count towards a legal lineup. A minimum legal lineup must consist of at least 1 regular team roster member and 1 substitute. A minimum legal lineup must be present by the 3rd frame of each game.

*****It is preferred that if one roster bowler can be present, please try to find a substitute and bowl instead of making up the games*****

13. Foreitures

A match is declared forfeited when an opposing team fails to show up for a scheduled match and does not make any arrangements to do a make-up. The **Secretary MUST** be notified on or before the night they cannot attend. The team present shall still bowl for their scores and will be awarded 18 points if they bowl within 10 pins of their average. The forfeiting team must still pay their weekly fee of \$15.00 per bowler.

14. Vacant & Absentee Score

When a team does not have enough players on its roster for a full roster (4 bowlers), a vacancy score of 120 shall be used. Such score shall be the basis for the handicap. Absentee scores shall be allowed when a team has a legal lineup (see 12 for legal lineup), but less than a full lineup at the start of any game in a series, provided they don't have a full roster (at least 4 members). With a full roster, the absent member average minus 10 pins will be used for their score. When the roster has more than 4 members and several bowlers are absent, the member on the roster with the most number of games bowled will be used in the lineup (example bowler 1 and 3 are absent, but bowler 5 on the roster (who is also absent) has bowled more games than bowler 3, then bowler 5 will be put in the game lineup as absent instead of bowler 3 for that night of league play). If both teams have absent bowlers, then those absent bowlers will be paired against each other in the lineup and the team that wins the game total will be awarded the point for the absent bowlers.

15. Postponements

A committee shall be appointed to determine what a sufficient cause to grant a postponement is. In emergencies, the captain of the team unable to attend shall notify the league Secretary or President at the earliest opportunity. All postponed matches **MUST** be made up prior to the next match.
